

Our whole community was left devastated by the bushfires last month, but it's been heart-warming to see the community rally together to help affected families rebuild.

Many heroes emerged from the tragedy, not least the army of emergency services personnel who worked tirelessly to control the fires, saving many homes in the process.

We are lucky enough to employ one such hero, Mark Platts, who is an on-call firefighter with Wauchope Fire and Rescue NSW.

On behalf of Hastings Co-op, thank you Mark and all of your fellow firefighters. The least we could do here at Mitre 10 and CRT was offer \$10,000 worth of free

stock posts to affected families. Special thanks must go to our suppliers, Whites Rural, for partnering with us to make this possible.

If you receive this newsletter in time, we invite you to join us for the 'Thank you fundraising BBQ' outside Wauchope IGA from 12pm to 6pm on Thursday, March 2, with a thank you to fireies at 5pm.

All funds raised will help local Rural Fire Service (RFS) crews replace and purchase vital firefighting equipment. As a side note, Wauchope Fire and Rescue NSW is currently recruiting on-call firefighters. For more information phone 1800 347 437 or visit

## Time to prepare winter pastures

We certainly welcome the recent rain and the forecast is for more. Let's hope the weather man is right!

Given the tough summer we've had, winter feed is going to be scarce so now is the time to start planting your winter pastures.

If you're looking for quick, early feed, plant Saia or Yarran oats for a more complete pasture add rye and clover to the mix.

When you visit Mitre 10 and CRT Wauchope ask Craig or Steve about tailor mixing all of your winter pasture requirements.

## COMMUNITY EVENT

We look forward to seeing you at the Comboyne Show

## Horse and cattle fattener

Horse and cattle fattener pellets are the best way to provide protein, trace elements and vitamins to help sustain energy and performance. The D&G horse and fattener pellets are a high protein supplement, with 15% protein, and is suitable for mature horses, young horses in work, cattle and young calves, sheep, goats and rabbits.

The 25kg Dairy Meal is now on sale for \$15 (was \$20).

We also stock Vella Stock Livestock Supreme (VSL), which is \$13.70 for a 25kg bag.

**D&G Dairy Meal \$15**

**VSL Livestock Supreme \$13.70**

## Reminder: Gas bottle changes

Did you know that all household gas (45kg and 18kg) and forklift gas (18kg and 15kg) bottles are now only available at Mitre 10 and CRT?

These bottles are no longer available at Lasiandra Service Station, however, BBQ bottles will remain there.

To order a gas bottle call Mitre 10 and CRT on 6585 1655.

## Good news for account holders

From March 1, account holders can charge Department Store purchases to their account and enjoy all the same benefits as you do with your fuel and farm supplies account.

If you haven't visited Wauchope Department Store in a while, come and have a look at the renovations currently underway. It's exciting times ahead, as the store is undergoing a facelift and will soon have a host of new products and labels.

## Twilight Tastings on March 24

Join us at Wauchope Showground from 5-10pm on Friday, March 24 for Hastings Co-op's annual Twilight Tastings.

As well as celebrating beer, wine, spirit and food suppliers from near and far, there will be Farmers Market stalls, children's entertainment, live music, a range of food options, tastings and fantastic deals exclusive to the event.

For all the details, see the flier attached.
