

Winter heating at Mitre 10 & CRT

Slice of Haven – May 21

Come and visit the Hastings Co-op marquee to try our Bago Bluff product range

With winter just around the corner it's time to start thinking about gas for your heating.

Mitre 10 and CRT is a local Elgas agent and can help with all your needs.

Just a few of the benefits include: \$35 per annum rental plans; competitive cylinder prices; regular local deliveries; and service second to none.

As well as delivering free of charge within Wauchope every week day, we also deliver to Rollands Plains, Telegraph Point, Pembroke, Gum Scrub, Laurieton, Kew, Kendall, Lorne, Johns River, Lake Innes, Port Macquarie, Bellangry, Beechwood, Pappinbarra and everywhere in between.

Gas is undoubtedly safe, reliable and cheaper than electricity, so drop in and chat to us about your needs.

New face at fuel division

You may recognise Sacha's face from Burkhart's Bakery in Port Macquarie, but he has now joined the Hastings Co-op fuel division and says he's loving meeting new people. There's been some major changes in the fuel division lately, with a brand new 55,000 litre above ground tank being installed at the bulk fuel site.

Many people would also be aware that we also took over management of the Caltex service station in Bolwarra Road, Port Macquarie.

Just in case you ever need fuel outside business hours, don't forget we have 24-hour outdoor payment terminals at Cedar Service Station, Bolwarra Road and the bulk fuel depot (diesel only).

Welcome: Sacha to the Fuel Division

Ulysses coming to town

Get ready to give a warm Wauchope welcome

It's not long now until approximately 3,000 Ulysses members come to town to explore our beautiful region.

Wauchope Showground will be the centre of all the action and Hastings Co-op will be there with daily bread, milk and ice deliveries, online grocery and liquor ordering and operating the camp bar.

Like many other local businesses, there will also be a Ulysses themed window in The Department Store.

Events during the one-week AGM (May 22-28) include a street festival in Hastings Street on May 26.

Mother's Day competitions

MOTHER'S DAY

Simply spend \$40 or more at any of the IGA supermarkets OR either of the Department Stores to go into the draw to win 1 of 3 great mother's day prizes.
