

100 years and going strong: Thank you to all shareholders, suppliers and valued customers who celebrated Hastings Co-op's centenary with us last month.

All your equine needs covered

Did you know we keep a comprehensive range of horse feed? We can cater for the kids' pony, your show horse or even the ones in retirement.

We also stock molasses and a range of rolled grains including steam rolled oats and barley.

Some of our popular brands include: Prydes, Hygain, Mitavite, D&G produce, Coprice and Castlereagh.

New product

HYGAIN® MICRBEET® is one of our newest products, which we highly recommend.

It's high in soluble fibre and low in sugar and is suitable for all equines regardless of age and use.

HYGAIN® MICRBEET® provides digestible energy ranging between good quality hay and grains in the form of soluble fibre as opposed to sourcing energy from starches and sugars.
