

For your convenience: New outdoor area

New awning

The Mitre 10 & CRT store has a new look outdoor area, where you can now shop in comfort under the shaded awning which is a huge 27m x 17m.

Winter pastures

It's time to start planning for your winter pasture crops. Although we've had a bumper summer season, once it cools off there won't be much goodness left and you'll need to plan your winter feed crops. Our region is best suited to winter ryes, oats and clovers.

Wauchope Mitre 10 & CRT stocks a wide range to suit every budget. Craig Shaw, in Wauchope and Brad Adams in Comboyne are our pasture and fertiliser experts, and can advise what's best suited to your situation whether it is one hectare or 100. We can also arrange a spreading service if you do not have all the equipment.

Gas bottle changes

As of January 23 all household gas (45kg and 18kg) and forklift gas (18kg and 15kg) bottles will only be available

at the Mitre 10 and CRT store and no longer be available for purchase at the service station. BBQ bottles will remain at the service station. To order a gas bottle call Mitre 10 and CRT phone 6585 1655

Gas delivery days
