

Comboyne's kindness

Thanks to the generosity of customers at the Comboyne Farmer's Night auction, we recently presented a cheque for \$2,000 to the Comboyne Agricultural & Horticultural Association. Products donated by our suppliers were auctioned on the night by chief auctioneer David Hore (who will probably never get a job as an auctioneer).

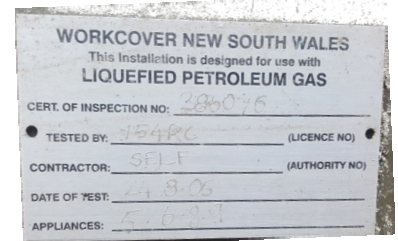

**Comboyne Rural Store's
new number is -
(02) 6588 8941**

Is your LPG connection compliant?

- **Do you have clear access?** - Locked gates, steep driveways, uneven pathways, low-hanging trees, lots of steps and unrestrained dogs are all things which can prevent a gas truck and its driver from accessing your property.
- **Are there obstructions?** - The space around your gas bottle installation also needs to be kept clear. Be sure to keep the area free of shrubs, wood, bins, rubbish and other household items.

• **Do you have your compliance plate on display?** - In order for your LPG bottle to be installed by our staff your NSW Compliance Plate (see below) MUST be in full view for the delivery driver.

Your local Elgas agents

Out with the old, in with the new
